### CERTIFICATE OF EMPLOYMENT

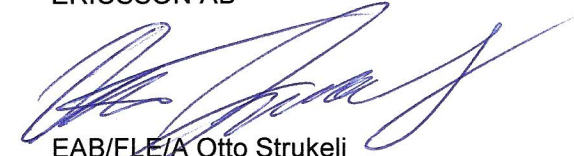

Alex van der Plas, has been employed as a consultant by Ericsson AB for the period 01.01.2007 to 31.12.2010

Alex van der Plas started his employment as sub project manager within the CP department at PDU AXE

He was in 2009, promoted to Total Project Manager at the PDU AXE Project Office with the responsibility for the AXE Maintenance Project

Alex has performed his work and tasks with considerable care and great interest, to our complete satisfaction. He has proven to be a very enterprising person who assumes assignments with responsibility extremely well. Alex also works particularly easily with other people. We would therefore like to highly recommend him today as his assignment is finalized.
